

Greater Brooklyn Health Coalition

Member Benefits

- Recognition as being dedicated to GBHC's mission – combating health disparities through greater healthcare access and cultural competency.
- Participation in GBHC's Annual Health Affair, quarterly membership meetings, and member-exclusive training events.
- Ability to publish events in GBHC's *Health Happenings* newsletter, which goes out on a monthly basis by popular demand to over 12,000 individuals directly, and over 50,000 indirectly, and is available online updated daily.
- Access to GBHC's network and assistance when planning events around healthcare issues in Brooklyn and NYC.
- Promotion of services as part of GBHC's funded programs, currently in the areas of health literacy, diabetes self-management, and maternal and child health.
- Participation in GBHC's Program and Public Information Committee.
- Opportunity to host a general membership meeting and other training events, and to make a presentation at a membership meeting.
- Free workshops for staff, clients, and/or membership on a variety of health topics.
- Discounted prices to conferences and events.
- Free resource materials on a variety of health topics, including health literacy and linguistic and cultural competency.
- GBHC as a partner to strengthen proposals – providing reach into Brooklyn communities and connecting the people to the health professionals.
- Limited pro bono consulting on community and program development.
