Advocacy Team

Form an advocacy team to represent coalition on all healthcare issues (representation from all CBO's), major focus to keep abreast of policy changes, laws, political leaders, form an action plan, and lobby.

Outreach Goals

Envisioning ourselves as one body in Healthcare

Effective hands-on outreach,, inclusive of workshops, demonstrations, etc.

Demonstrating excellence in service and commitments to meet individual needs

Acknowledging when we can't meet that need, and make knowledgeable referrals

Ongoing networking efforts to build organizational strength

Measurable Goals

Increased attendance to individual organizations

Decreased statistics in healthcare disparities

Increased prevention

Increased Funding for services

Overall Goal

Improved, effective healthcare Services
